

## Reception Class Weekly Newsletter

Friday 26<sup>th</sup> September 2025

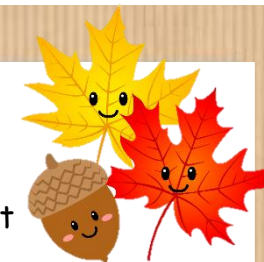

### This week...

- ✓ We have been learning more sounds in phonics! We have no learnt sounds s, a, t, p, i, n, m, d. We have also started to make some words with the sounds, such as: *map, tap, pan, man, pat, pit, sit, sat*. I wonder if you can practise at home? Ask a grown up write some of our sounds onto pieces of paper and add the sounds together to make words.
- ✓ We have met Numberblocks 1,2,3 and explored making these numbers. We also made the Numberblock characters.
- ✓ We have talking a lot about our school rules and why need to have rules. We know they are to keep us and our classroom safe. We looked at the different behaviours and sorted them into things we should do and things we shouldn't do.
- ✓ We have been very busy making patterns and paintings, learning how to carefully use paintbrushes and wash brushes between colours.

### Next week...

- We will be thinking about Autumn. If you have any autumn treasures that you'd like to bring in please do!
- We will look at autumn colours, leaf rubbings and conkers.
- We will be learning about shapes and meetings number block 4!

### Jobs for the weekend!

- Practise putting on your school jumper, and taking it off all by yourself.
- Can you find numbers 1,2,3 anywhere in your house?

We are going to work very hard on **independent skills** this half-term, so keep practising at home.

Please encourage your children to do things such as dressing, tidying up and eating and drinking, all by themselves.
