

Reception Class Weekly Newsletter

Friday 30th January 2026

This week...

- ✓ We have learnt about where the polar regions are. We used Google Earth to look at where our county was, and zoomed right into our school. We then looked at the North Pole and the South Pole. We will continue this work next week.
- ✓ In phonics lessons we have been learning more new sounds and practising sounding out words and blending to read.
- ✓ In our reading groups we have enjoyed learning about expression and how we can change our voices to make the book sound interesting or exciting. We also answered lots of questions in these sessions to help our understanding of the text. We repeat these sessions every week with a new book.
- ✓ We have loved PE this week! We had a fantastic obstacle course to complete on Tuesday (we are so good at climbing!) And on Friday we had a visit from Freddy Fit who tired us all out with games and exercises.
- ✓ In RE we have been thinking about special places in our community. Lots of children talked about places they go to with their family. If you would like to send any photos of special places we would love to see them! Email them to the admin email address.

Have a wonderful weekend!

Next week...

- We will continue our topic on winter. We will be looking at Polar regions and animals.
- Eric time - **Everyone Reads In Class**. Children need their reading books in school every day for these sessions.

Jobs for the weekend!

Read your reading book to a grownup - remembering to sound out and blend the word to read. (Adults please sign diaries for every home read).

Share your library book at bedtime - this is the book the grownups can read to you.

If you would like to, you can email photos of your weekend adventures to: admin@cdatstpaulsprimary.co.uk
We will share these photos in class!

Diary dates:

Children
mental health
week 9-13th
Feb. Details to
follow.

World book
day 5th March.
