

Reception Class Weekly Newsletter

Friday 1st May 2026

This week...

- ✓ Our caterpillars are in their cocoons!! We are so excited to see how they metamorphosise into butterflies!
- ✓ We have looked at the food the hungry caterpillar ate and talked about 'healthy and unhealthy'. We sorted each food item and worked out that if it came from a plant or tree then it was healthy food. We had a debate about treats and discussed how many you should have in one day and why they are unhealthy for us.
- ✓ We have been Nature Explorers! We went to the Wonder Woods to look for signs of nature and made sticky nature windows to collect our finds.
- ✓ We linked this work to RE as we begin to focus on the story of creation. We looked at Natural objects vs Man-made. We made transient art works using our natural objects and finds from our nature hunt.

Next week...

- We will be continuing our topic on growing and gardens. Working hard to improve our outdoor space and repotting our sunflower seedlings, as they're getting rather large!
- Our key text next week will be Jack and the Beanstalk.
- School is closed on Monday 4th May for Bank Holiday.

Jobs for the weekend!

- Practise your reading books - adults please remember to sign diaries.
- Any donations for the outdoor area, such as flowers, plants, soil or pots, canes; are more than welcome!

You can email photos of your home learning and weekend adventures to: admin@cdatstpaulsprimary.co.uk

Diary dates:

PE is Tuesdays and Fridays.
Library books get changed every week.
Reading books changed on Fridays if diaries are signed.

Reminders and other info

- Please bring book bags every day for daily reading. No drinks in book bags.
- **Junk modelling donations**
- Fruit is provided for snack every day, but children can bring their own fruit if they wish.
- Water bottles needed daily - water only please.

Have a wonderful weekend!
Mrs Owen and Miss Webster
