

Reception Class Weekly Newsletter

Friday 3rd July 2026

This week...

- ✓ We have been thinking about Ocean Conservation. We watched a very sad video about lots of rubbish in the sea and how it made the sea creatures sick. We talked about the importance of making sure our rubbish goes in the bin and not letting it blow away to go into rivers or canals, which would take it to the sea.
- ✓ Our drawing club book has been "Somebody swallowed Stanley!" which was all about a plastic bag being eaten by sea creatures.
- ✓ We drew and wrote about our own trash characters; our ideas were brilliant! From 'Steve the Fanta can', to 'Bob the Shopping trolley'.
- ✓ We then invented a machine that could clean the ocean. We talked about how it would work and wrote labels on our drawings to explain.
- ✓ In Art we have been making some rockpool critters! We made some wonderful hermit crabs, and some salt dough starfish which we will be painting next week.
- ✓ We had our transition visit to Year 1 on Thursday! Everyone enjoyed the visit to their new classrooms and felt very grown up. Mrs Owen was very proud of us all.

Next week...

- Our art focus for the next two weeks is upcycling! We will be focussing on the Sculpture Artist Michelle Reader.
- Our key texts will be Duffy's Lucky Escape. And we will be learning more about sea turtles.
- Any reading books not changed on Friday will be done next week.

Jobs for the weekend!

- Practise your reading book - books will be collected for good from Monday 13th July. We will be auditing all the books ready for the new school year.
- Please bring in any empty small plastic bottles, plastic lids or caps - we need them for our art project!

You can email photos of your home learning and weekend adventures to: admin@cdatstpaulsprimary.co.uk
