

Reception Class Weekly Newsletter

Friday 17th July 2026

This week...

- ✓ We have been completing our art project based on sculptures by Michelle Reader. We worked so hard that we were given the headteachers award today! The children have enjoyed using things we would ordinarily throw away to create amazing new sculptures. I wonder if you could create something at home?
- ✓ We also upcycled some more rubbish into boats and explored which materials make good boats. We became scientists and investigated different materials in water to see if they would float or sink.
- ✓ We have been reflecting on our adventures this year and looked back at photos and memories we have made together.
- ✓ We watched the year 6 children perform their show!
- ✓ One of our stories this week was "The light house keepers' lunch" and we learnt a sea shanty about the greedy seagulls!
- ✓ We have been playing some really fun team games this week - using our super concentration and working together as a team.
- ✓ In maths we have been revisiting 3D shapes and spotting them around our classroom. We have also been practising subtraction, looking at jumping backwards on the number line.

Next week...

- Enjoying our last week of reception! :'(
- Our teddy bears picnic is on Wednesday - please refer to the letter that was sent home previously. Children need to bring a picnic lunch and a teddy.
- On Thursday we will be going to church for our leavers service. 9:15am.
- PE kits will be sent home on Tuesday.

Jobs for the weekend!

- No books sent home this weekend as they have all been collected in. If there are any remaining books at home please return them ASAP.
- If anyone can lend us a picnic blanket or two for the picnic, it would be greatly appreciated!

You can email photos of your home learning and weekend adventures to: admin@cdatstpaulsprimary.co.uk

Diary dates:

PE is Tuesdays and Fridays.
Library books get changed every week.
Reading books changed on Fridays if diaries are signed.
