Year 2

NEWSLETTER AUTUMN SECOND HALF TERM

Welcome to Year 2!

Year 2 have made a brilliant start to the Year and are settling well into their new class. We are moving into our brand new classroom this half term too, which has been recently refurbished.

What an exciting half term we have in Year 2 ahead of us. I'm sure there will be plenty of glitter and singing as we prepare for Christmas. We are visiting Holy Trinity for a Christmas experience on 10th[t] December. Our Show 'Wiggly Nativity' will be at 2pm on Friday 11th December. Year 2s Christmas Party is on Monday 14th December and children are allowed to come in their party clothes on this day.

Mrs Regan

Our Christian Values:

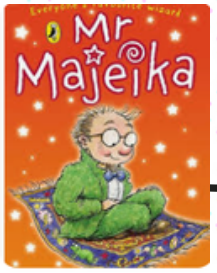

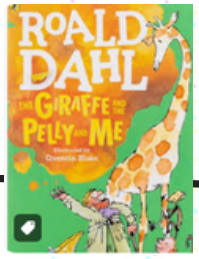

Our Reading Spine books

The Giraffe, Pelly and Me by Roald Dahl

Mr Majeika by Humphrey Carpenter

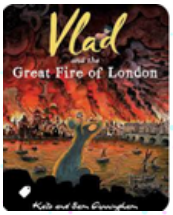

In English we are learning about...

Vlad and The Great Fire of London by Kate Cunningham.

Recount

Y2 Grammar and Punctuation
Guided Reading
Spelling

Rewards

In Year 2 we work as a class to earn golden time on Friday. Mrs Regan likes to send notes and certificates home when children do fantastic work, show amazing behaviour or are kind to others. Sometimes you might even get a positive phone call home!
Two children per week are chosen for a certificate in our celebration assembly on Friday.
We also collect house points - the winners are announced in Friday assembly.

In Maths we are learning about...

count in steps of 2, 3, and 5 from 0, and in tens from any number, forward and backward

add and subtract numbers using concrete objects, pictorial representations, and mentally, including:

a two-digit number and tens

two two-digit numbers

solve problems with addition and subtraction:

using concrete objects and pictorial representations, including those involving numbers, quantities and measures

applying their increasing knowledge of mental and written methods

recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100

compare and sort common 2-D and 3-D shapes and everyday objects

identify and describe the properties of 2-D shapes, including the number of sides and line symmetry in a vertical line

identify and describe the properties of 3-D shapes, including the number of edges, vertices and faces

order and arrange combinations of mathematical objects in patterns and sequen

POWER MATHS
