

Y6 – Autumn Term Overview

Our Curriculum Intent in Practice

Christian Values

Respect – setting a good example as Year 6

Forgiveness

Kindness – Buddy work

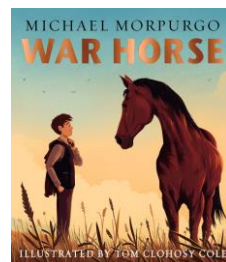

Diversity

War – how is it affecting people now?

Links to the war in Ukraine – how can we help? Fundraising event?

Poppy appeal – how can we raise for money/awareness for veterans? Set up fund raising activities for a week during remembrance

Recommended Reads

Physical Health & Mental Well Being

Skipping – using ropes donated set up skipping activities during break times – continue to raise money for BHF

Active & Responsible Citizens

Develop the role of School prefects – help to develop the new school curriculum. Questionnaires for children – homework, after school clubs

Team captain role – model sports & activities to younger pupils

Buddy role – develop lessons with Reception children

Our Environment

Science links – woodland activities to encourage wildlife – making bird feeders, improve the bug hotel, hedgehog homes

Grounds Team – develop school environment working with Mr Thorley. Also, regular tidy up sessions of the playground. Create posters/wooden signs for taking care of the environment.

Recycling – promote throughout the school – focus on batteries (link to Science)
