

## Willow Class Newsletter

### SPRING 1 NEWSLETTER

Well done to all of our children in Willow Class who have settled back into school so well after the Christmas holidays.

This half term is always the one where children suddenly seem to grow and develop so much, all of a sudden, which we can definitely see in our children.

This half term, our focus book is 'The Lion Inside' by one of my favourite children's authors; Rachel Bright. In History, we are learning all about toys through different generations so if you have any photos of your favourite childhood toys, they would be much appreciated! In Science, we will be learning all about materials and what makes them useful for making different items. In R.E, children are being introduced to Islam and in PSHE, we will be learning about how to achieve our goals.

### KEEPING YOU UP TO DATE

As much as possible will be shared via the 'Tapestry' app for children in Reception this term so please make sure you have registered and downloaded the app.

We also have a Twitter account @WFPWillow where we share what we've been getting up to each week.

I will also be sending out videos to practise phonics with your child this week based on the sounds they are learning.

### Reminders

- P.E. days are now Wednesdays (outdoor) and Thursdays (indoor)
- Please try to read with your child **every day** - the impact this has on their progress is huge!
- Please name all of your child's cardigans, P.E. hoodies and **ties**
- Remember that children should only have **water** in their water bottles
- Please send in any small tubs, pots and boxes for our junk modelling area - we are always hunting for more for the children to create with!
