

Willow Class - Summer 2 Homework Project - Signs of Spring

Due back to school by Monday 22nd May please.

Since we will reach the end of Spring by the end of this half term, we would like you to collect and present any signs of Spring that you can find near where you live.

This could be photographs (see my examples below), art work including painting, collage, drawing or sculpture for example or even a Spring diary!

Both Reception and Year One learn about seasons and observe what they can see, hear, and feel during the different seasons as part of their curriculum so this is a great opportunity for them to show and extend their learning.

Thankyou for your support, as always.

Mrs Havard and Miss Woods
