

Willow Class - Summer 2 Homework Project

Due back to school by Monday 10th July please.

This half term in Science, Year 1 will be learning about staying healthy. All of us have already learned about this in our Jigsaw PSHE lessons in the Spring Term. We discussed healthy diets, exercise, and drinking water as well as keeping mentally healthy.

Willow Class, your challenge is to draw, write or make something that tells everybody in school how to be healthy. This could be a healthy menu, you could craft a healthy plate of food, come up with an exercise plan or make a poster - and that's just a few ideas!

Thankyou for your support, as always.

Mrs Havard and Miss Woods
