

Cherry Class - Autumn 1 - Homework Project - Chester Zoo

Your task is to produce homework related to one of your favourite animals that can be found at Chester Zoo. You may produce a piece of artwork on the animal, a fact file or a video presentation to share. The choice is yours!

A list of all of the Chester Zoo animals can be found here
<https://www.chesterzoo.org/our-zoo/animals/>

This half term, the children will be joining in a project with Chester Zoo. They will be doing weekly workshops with us and then we will be going there on a whole school trip in the final week!

This is due into school on or before **Monday 17th October** - Have fun!

Mrs Crook
