What's happening at

Meltham School's Out

Happy Summer!

Well, here we are at the end of term! It's gone so fast this year. All the ladies here would just like you to know it's a real honour looking after your children every day, and we thank you for all your continued support.

We say farewell to all our Year 6 leavers. We'll miss you—but you are all so ready for these next steps. Be amazing every day!

'Thank You'

We'd just like to take this opportunity to say a big 'thank you' for all the kind wishes, cards and lovely goodies. We really appreciate it. We've had some wonderful feedback recently, and we hope you don't mind that we share a little of it with you now. It put smiles on all our faces and a tear in our eyes!

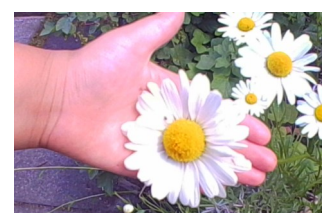

"The care, patience, kindness and dedication shown by every one of you has never gone unnoticed. You are always smiling, caring and kind, and it is so clear that this is far more than just a job to you. You genuinely care about every child who comes through your doors, and that is something incredibly special."

As a parent, there is no greater comfort than knowing your child is happy and safe when they are away from you. For the last seven years you have given me reassurance every single day, and for that I will always be thankful."

Activities at MSO

We've been so lucky over the past few weeks to have had such lovely weather. We've taken full advantage of this and played outdoors (in the cool and shaded basketball court and meadow) as much as we can. We've also enjoyed our new resources in the MSO courtyard; from sitting and colouring at our new shaded picnic table and playing giant snakes and ladders with the children as the game pieces!

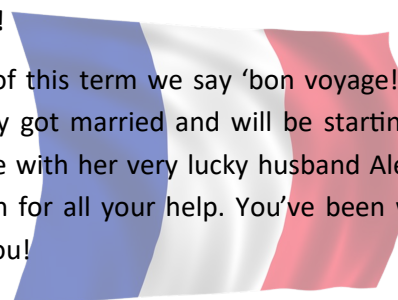

The children also enjoyed going on a nature walk around the school grounds and identifying different plants, insects and flowers.

We've also done lots of lovely crafts this term. We've made cross-stitch bookmarks, summer-themed watercolour painting and even made our own stickers!

Bon Voyage!

At the end of this term we say 'bon voyage!' to Lottie, who recently got married and will be starting her new life in France with her very lucky husband Alexis. Thank you so much for all your help. You've been wonderful. We'll miss you!

Car Park

Please kindly remember to watch your speed in the car park at all times. There is now CCTV in operation. Thank you for your co-operation in this.

New Technology

You will have already noticed that we have a new intercom/entry system in use. As with any new technology, teething problems have arisen. Thank you for your patience whilst we work through getting a few glitches resolved.

Attendance

If your child will not be attending their usual booked session(s) for any reason please let us know directly as soon as possible. This is important, even if you have notified school of their absence. You can let us know by email, text or call. Contact details are at the top of this newsletter. Your cooperation in this is appreciated and helps us to keep everyone safe.

Children's Belongings

Please note that it's only in exceptional circumstances that we can go back into school for any belongings that your child has left in school that day. This includes car-digans/jumpers, water bottles, lunchboxes, etc. These types of items must be collected the following school day. Items that we are able to go and collect are coats, glasses and medication.

Dates for your Diary

Friday 17th July: The club and school close for the summer holidays

Monday 31st August: Deadline for September invoices to be paid

Thursday 3rd September: The club and school reopen

And Finally...

This newsletter is available on the MSO section of the school website, on the MSO noticeboard, or a paper copy can be printed for you, if requested. Our door is always open if you would like to discuss anything.

We hope everyone has a restful, safe and fun-filled summer.

Best wishes,

The Meltham School's Out Team
