What's happening at

Meltham School's Out

Nearly There!

We hope everyone had a wonderful half-term break. We're now on the home stretch to Christmas!

Welcome to New Starters

We'd like to say a big welcome to all our new starters. They have all settled really well over the first half term of the school year, and it now seems like they've always been here.

Activities at MSO

At afterschool club, craft activities have begun again in earnest. We've already designed our own lollysticks, done leaf printing, made an autumn wreath and painted mini pumpkins. Keep your eyes peeled when you pop into the club to see some of these masterpieces on display!

We have a jam-packed season of crafts ahead including edible sparklers for bonfire night and Remembrance poppies. We'll also be getting a head-start on Christmas tree decorations. It's never too early!

Email Address Update

We have a new email address at the club, which is at the top of this newsletter. Our old address will continue to be monitored, but will be gradually phased out. Any emails you may now receive will be from the new address.

Attendance

If your child will not be attending their usual booked session(s) for any reason please let us know as soon as possible. This is important, even if you have notified school of their absence. You can let us know by email, text or call. Contact details are at the top of this newsletter. Your cooperation in this is appreciated and helps us to keep everyone safe.

Snack

The noticeboard on the right in the club entrance is where you'll find our snack menu for the week. Please note it is a snack and not tea/dinner.

Please let us know if your child's dietary needs change or they develop an allergy or intolerance.

The Car Park

Now that it's getting darker at drop-off and pick-up times, please be extra careful of your speed when entering and leaving the car park. Please be mindful that there is a pedestrian crossing immediately in front of the car park gates.

Inset Days

Just a little reminder that on Friday 28th November and Monday 1st December, the school is closed for staff training, and so the club will also be closed on these dates.

Children's Belongings

Please note that it's only in exceptional circumstances that we can go back into school for any belongings that your child has left in school that day. This includes cardigans/jumpers, water bottles, lunchboxes, etc. These types of items must be collected the following school day. Items that we are able to go and collect are coats, glasses and medication.
