

Glanhowy Primary School

Dukestown Road, Tredegar, Gwent. NP22 4QD

T: 01495 722312

Head Teacher: Mrs. C.R.Phillips BA Hons, MA Ed, NPQH

Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

External Building Upgrade

We are absolutely delighted that a ramp has been installed so that all pupils can access our school field. This has been a longstanding campaign led by the schools Governing Body spanning well over 12 year so that we can provide equity for all pupils. We are very grateful that the hard work has paid off and we have an exceptional resource at Glanhowy that we are extremely proud of.

Internal Building Upgrade

Over the half term holiday, new carpet and flooring has been installed in the 3-7 Phase, Resource Base and Community Classroom. The Community Classroom and Staffroom will also be painted shortly. We are very excited for you to see these upgrades during the Spring term 'Showcase' events.

Family & Community Engagement Space

On completion of the Family & Community classroom upgrade, we intend to host training opportunities for parents and carers who would like to upskill themselves in order to seek qualifications and employment.

Marmot Principles

We are looking at the 8 Marmot Principles in school that focus on pupils having the very best start in life. With this in mind, please could a good sleep routine be promoted at home and screen time monitored and limited before bed?. Research shows that both of these influence attitudes to learning and behaviour.

Thank you for your continued support, Mrs Phillips.

Diary Dates

Tuesday 3rd March
