Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Family & Community Engagement Bronze and Silver Award

We are delighted to announce that we were awarded the Family & Community Engagement Bronze Award on March 3rd and the Silver Award on the 2st April. In line with Tredegar Comprehensive School, we aim to achieve full accreditation very soon.

Social Media, Online Gaming and You Tube Concerns

We are aware that there are some incidents of concern have been shared about pupils interactions outside of school online. Please be mindful of the age appropriateness of social media and online gaming as it is the parent's responsibility to ensure this is supervised, monitored and parental controls are in place. This applies to You Tube usage also.

Independent skills

Using the Marmot Principles, we are encouraging all pupils to develop their independence so that they are well prepared for their next phase of learning. Please can you support at home with the following:

-Encouraging to do zips and buttons independently.

-Shoe laces independently.

-Remembering what is needed for school i.e. reading book, P.E. kit, water bottle, swimming kit, weather appropriate clothing.

Thank you for your continued support, Mrs Phillips.
