Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Attendance

In order to avoid triggering on the LA Attendance Pathway, please refrain from taking holidays during term time and ensure, where possible, that your child attends school everyday and on time. If attendance dips below 90% at any time, the LA pathway automatically begins a monitoring period. Avoiding holidays during term time will improve your child's attendance, learning opportunities and life chances.

PTA Colour Run Event, July 14th 1.15pm

We are very grateful to Glanhowy PTA who have organised our second Colour Run Fundraising Event that will take place on Wednesday July 14th. Entry is £5 per pupil, this includes 1 paint bag and goggles. Additional paint is £1 (10 maximum), this will be open on parent pay until June 2nd. All pupils must be accompanied by an adult. An ice-cream van will also be on school premises if you wish to make a purchase.

Communication

The school office is an exceptionally busy environment and staff workload is increasing exponentially. In order to support these increases in demand, we will aim to respond to calls and emails within 72 hours at the very latest. If you wish to speak to the headteacher, please make an appointment with the school office. Your patience is appreciated.

Thank you for your continued support, Mrs Phillips.
