Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

We are delighted to have received the below notification that the First Minister Rhun ap Ioreth is visiting Glanhowy on Thursday 5th November.
'The First Minister would like to visit Glanhowy Primary School on 5 November 2026, with a focus on literacy. Glanhowy School's work to promote reading and develop literacy has been brought to the First Minister's attention, and he would welcome the opportunity to learn more about the school's approach and see this work in practice.'

We are so excited that past pupil, Liam Davies, professional snooker player will return to Glanhowy on Monday 9th November to speak to all pupils in assembly about his rise to fame in 2019 when he was only 12 years old.
