

Wash the Dirty Hands Activity

You will need:

Hands Posters

Laminator

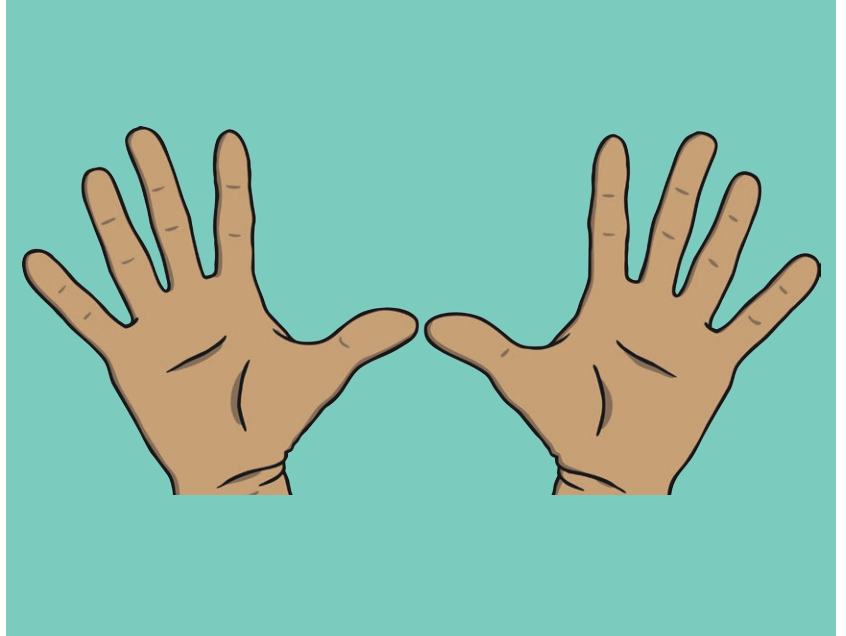

Laminating pouch

Whiteboard pens

Nail brush

Damp cloth

Soap

Instructions

1. Laminate the Hands Posters.
2. Discuss the importance of handwashing with the children.
3. Demonstrate how to draw 'germs' on the hands with whiteboard pens.
4. Show the children how to clean the hands using a nail brush, damp cloth and soap.
5. Leave the posters out in your continuous provision for the children to access independently.
