

Going back to school

Tomorrow I am going back to school.

I will see some of my friends
teachers and I will do some fun

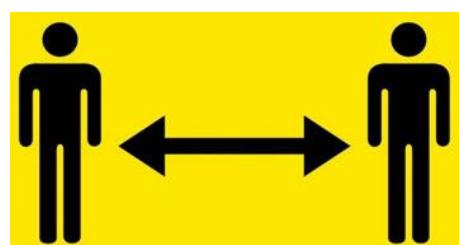

and
activities.

I can only go to school if I feel well.
If I am poorly I will stay at home.

The adults in school will remind me of the things I need to do to keep safe. This will include washing my hands, using tissues and keeping at a safe distance from people.

I will have fun at school with my friends.
