

FUNDING FOR PRIMARY SCHOOL PE AND SPORTS 2025-2026

Next steps for development

During the academic year, we want to continue to build on the excellent work we have undertaken to date. We will continue to work with PE provider, UK Sports, who are a local company and are endorsed by the LA. They will be leading sports in school (PE and Games and extra-curricular activities, alongside teaching staff and mid-day assistants). Fully funded extra-curricular clubs will be offered to pupils throughout the year. These will be KS1 multi-skills, KS2 football, and dance.

We will continue to provide our children with opportunities to take part in competitive sporting action through maintaining links with local schools and organisations such as Stockport County. We will continue to promote successful local sporting events – Stockport Schools Cross Country and endeavour to participate in additional inter school competitions.

Our spending plan objective for 2025-2026 is to continue to improve the provision of PE and sport to benefit all children who are part of the school by focusing on 3 areas: Physical Education, Healthy, Safe & Active Lifestyles and Competitive Sport. Under each of these areas we will:

Physical Education

- Increase staff subject knowledge and confidence in PE with the provision of support from qualified sports coaches working with teachers to achieve high quality teaching and learning in lessons.
- Ensure provision links with other subjects to contribute to pupil's overall achievement and their social, spiritual, moral and cultural skills.

Healthy, Safe & Active Lifestyles

- Facilitate and encourage activities at lunch and break times
- Deliver school-based health and wellbeing activities and intervention strategies to raise awareness of healthy, safe and active lifestyle choices.

Competitive Sport

- Provide a variety of inclusive competitive sport opportunities
 - Meet the costs of attending inter school competitions to remove any barriers to participation
 - Work with our collaboration of local schools to facilitate inter-school competitions providing further opportunities for children to participate in competitive sport and to build experience in roles such as pupil sports leaders.
