Sandy Lane Nursery and Forest School  
"Nurturing curiosity and inspiring imagination"

25<sup>th</sup> February 2026

Dear Parents and Carers

From the summer term our school will be changing the colour of our uniform from red to green. This change of colour will better represent our forest school status. The uniform itself remains a polo shirt and sweatshirt.

This change will be phased in starting in the summer term. For children leaving us at the end of July there will be no change and no new uniform needs to be purchased. If your child is returning to us in September 2026 and you already have the old uniform there is no requirement to purchase the new one.

New green uniform will be available to purchase from mid April for families of children returning next school year who wish to purchase. **For parents of children leaving us in July, we have a limited amount of red sweatshirts and polo shirts available to purchase now at half price.**

If you have any questions about the content of this letter, please don't hesitate to speak to a member of the office staff or see me on the door at drop off/collection.

Yours sincerely

Marcia Atherton

Headteacher
