

# Daffodils Class Checklist

## September 2023

Dear parents and carers,  
Here is a handy checklist to help you remember all the things your children will need for school this year.

### Useful things to know and pack...

---

– **Please provide 2 full changes of clothes**   
(spare clothes will remain at school and we will write when wet or soiled clothes are going home)

– **Outdoor clothes** 

(we go out in ALL weather and go for a walk in the community once a week. Please send in waterproofs if you have them)

– **Wellies**   
(we need these for rainy days)

– **Sun hat, sun cream and sun glasses**   
(we will need these to encourage and support the children to play safely in the sun)

– **Class fund (50p a week)**   
(a voluntary contribution of 50p a week can be sent to class. We use this for purchasing cooking ingredients, foods for snack and paying for special treats for the children)

– **Diary**   
(we aim to write in the children's Diaries each day with a little message to say what they learned, what they ate and to send reminders about the following day)

– **Emails -**

[T.Gallagher@lancasterian.manchester.sch.uk](mailto:T.Gallagher@lancasterian.manchester.sch.uk)

– If you need to get hold of me, please email and we will get back to you through the day and I will aim to call each week to check in.
