

# Daffodils Class Checklist

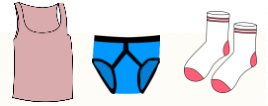

## January 2024

Dear Daffodils Families,  
Please have a read through and ensure your child has all the required items for school on this checklist.

Thank you 😊

### - Please provide 2 full changes of clothes

(spare clothes will remain at school and we will write when wet or soiled clothes are going home)

### - Outdoor clothes

(we go out in ALL weather and go for a walk in the community once a week. Please send in waterproofs if you have them)

### - Wellies

(we need these for rainy days)

### - Sun hat, sun cream and sun glasses

(we will need these to encourage and support the children to play safely in the sun)

### - Class fund (50p a week/ £5 a term)

(we use the class fund to buy snacks and drinks for the children. Please place the money in the envelop provided in the front of the diary and email us or write a note so we know to check)

### - Diary

(we aim to write in the children's Diaries each day with a little message to say what they learned, what they ate and to send reminders about the following day - please use it to contact us as well)

### - Pads (nappies and pull ups)

(please send a packet of pads and we will write in the diary when we require more pads. If your child is prone to rashes, please provide suitable wipes and cream)

### - PE and Swim Kits

(all the children have a **blue swim bag** and **green PE kit bag**. Please send these in each week for their sessions and we will return them to be washed as required)

### - Emails - [Daffodils@lancasterian.manchester.sch.uk](mailto:Daffodils@lancasterian.manchester.sch.uk)

(this email address is monitored by the whole class team so we will reply in the school day. If you have a query specifically for me, the class teacher, please use my personal email)
