

# Helping your child with Reading

## Class 1

<p><b>REREAD</b></p> <p>Reread your child's favourite stories as many times as your child wants to hear them.</p> <p>Choose books and authors that your child enjoys.</p>	<p><b>LOOK</b></p> <p>Look at pictures and talk about them. For example, "Can you find a bird or cat?" "What else can you see?" "What are the children playing? Have you played that before?"</p>	<p><b>STORY SACKS</b></p> <p>A story sack is a great way to get your child talking about a story. They are bags that contain the story itself, alongside a variety of items linked to the story. It could be the story CD, a related non-fiction book, puppets, models or objects that are in the story and a related activity.</p>
<p><b>TALK</b></p> <p>To help your child develop their vocabulary, talk to your child as much as possible about what you are doing. Ask them about their day. What have they been doing? What was their favourite thing? What games did they play?</p>	<p><b>VISIT</b></p> <p>Visit the local library together. It is fun choosing new books to read. Keep an eye out for special story events at the library or local bookshops that you can join in with.</p>	<p>They often have them at local libraries to loan.</p>
<p><b>SIT</b></p> <p>Sit close together and get comfy! You could encourage your child to hold the book themselves and turn the pages. Use funny voices, puppets or props to bring the story alive.</p>	<p><b>STORY TELLING TIN</b></p> <p>Make a story telling tin. Collect together a group of objects with a story theme. Open the tin and explore the objects inside. Your child can choose a character, talk about where the story will be and think about what might happen.</p>	<p><b>ENCOURAGE</b></p> <p>Encourage family and friends to share books with your child. The more your child sees you and others reading, the more they will want to read too.</p>
