

## **Hello EY3 children and their families.**

We have had a busy week getting prepared for Christmas. We have enjoyed playing in Santa's new workshop in our courtyard, decorating our classroom and learning about The Nativity. We have also been busy with lots of Christmas crafts, completing our rainbow challenges and practising for the show.

**If your child has lines for the show, please continue to practice them at home**

### **Reading Books & Book Bags**

You will receive your last reading book of the term yesterday, please ensure it is back in school on **Monday 12th.** If you have any other books from school please return them- thank you.

### **Maths**

This week we have been mad about measuring. We have played games measuring different lengths and heights, we have found out who is the tallest in our class and we have also made some delicious hot chocolate for Santa.
