

## Hello EY3 children and their families,

### Our topic this half term is **What Will You Be?**

This half term we will be learning about lots of different occupations. Last week we introduced the book 'You Choose' as a great way to start thinking about the different choices we can make and our likes and dislikes. We have created a mind map of all the different jobs we are interested in and would like to learn about. They include, doctors, nurses, police officers, farmers and much more.

This week we are learning about all the different jobs here at school. We have walked around school to see the different classrooms and meet the teachers, admin staff, cook and site manager. We have enjoyed meeting Miss Lee and talking about the role of the headteacher. The children have enjoyed painting the different teachers in school, designing their own school and thinking of questions to ask the different members of staff.

### PE Sessions

Thank you for bringing the children's PE kits in for our Wednesday PE session. **Please practice getting changed at home with your children, especially turning clothes the right way around.**

#### PE Kit

Black shorts/black leggings  
White t-shirt  
No jewellery

### Phonics

In phonics we have been recapping lots of the digraphs we have learnt already and recapping the tricky words we have learnt. This week we have focused on **ai ur and or** sounds as well as becoming confident reading words with **th ch sh and ng**.

#### Maths

We have moved on to learning about the numbers 9 and 10. We have learnt about ordering and sequencing numbers to 10 and have made our own numberlines and this week are learning to make 9 and 10 in different ways.

### **Shared Learning Opportunities**

**Home learning:** Discuss with your child what they would like to be when they grow up maybe you could talk about the different jobs their family members may have. Or maybe you could spot the different jobs they may see on the way to school, i.e. post person, deliver drive etc. Please see the home learning sheet below for some phonics practice.

**Show and Tell:** Children can bring in something that they would like to be when they grow up. It could be a prop from a costume, a book about their favourite occupation, or a photo from a visit to a museum etc (please just bring one item at a time)

Children can bring one show and tell item a week. We have no set day for show and tell so children can keep their item in the basket until we have chance to show it.

# I Spy and Read

Draw a line to the matching picture when you have read each word.

ship

fish

chin

shell

moth

ring

king

chick

**Challenge:** Can you spell a word to match one of the pictures?
