

# EY3 NEWSLETTER

15/5/23-19/05/23 Summer 1 Week 5

**Hello EY3 children and their families,**

**Our topic this half term is The Great Outdoors**

This week we have continued learning all about caterpillars and we have written our own version of 'The Very Hungry Caterpillar'. We have been thinking about using story language such as one day, once upon a time and the end to include in our writing. We even read our story back to our friends. We have also worked on an art project together to make a giant caterpillar!

Well done EY3!

## Tatton Farm Trip 13<sup>th</sup> June

Please let me know if you would be available to help on the trip. It is a full school day and you will need to bring your own packed lunch. Priority will be given to those who have not already helped this year and if we have a large amount of volunteers, names will be drawn out a hat. Thank you!

### SeeSaw

**It is great to see your likes, and comments on your child's online seesaw learning journey.**

**Please come let us know if you have problems signing up.**

### Phonics

We have been practising reading and writing lots of tricky words this week. We have been spotting them in sentences and learning how to write them.

### Maths

This week we have been learning all about doubles. We have learnt what a double is and how to recognise it, we have made doubles and played lots of doubling games.

### **Shared Learning Opportunities**

**Home learning:** Have a look at the tricky words attached to this letter. You could write them out for your child so they can practice sight reading them and then they could cover it to see if they can have a go at writing the word.

**Show and Tell:** Children can bring in something they find outdoors that is precious to them. It could be an interesting stone, shell or leaf. Children can bring one show and tell item a week. We have no set day for show and tell so children can keep their item in the basket until we have chance to show it.
