## Welcome to EY2!

It has been lovely to meet you all at our transition sessions. Each child has their own labelled coat peg, please use this to hang up their coat and any spare clothes. Each child needs a named water bottle that they can use independently, these are kept on the trays outside. You are welcome to leave them here for the week, they will be washed and refilled by us but all bottles must go home on a Friday afternoon.

### Reminders

Please make sure you label clothing that comes into school (including coats) I have sharpie pens available for you to use. This will help it get back to you!

Book bags will be sent home on Thursday and should be returned on Monday to be kept in school.

## Our learning

This term our topic is called "What Makes Me Special?" We will be focussing on settling the children into school and our daily routines. We will be learning about ourselves, our families and our homes and building relationships with each other. **Please can each child bring in a photo of their family for our learning wall, please discuss the photo with your child so they can talk about it.** You can also email them to the school office with the subject FAO: EY2 and I will print them. In our classroom we do a lot of junk modelling so please save us your boxes, yoghurt pots, lids etc. We cannot accept toilet roll, egg boxes and medicine boxes. Please make sure anything you bring in is clean, Thank you for your support.
