

The Good Samaritan –

One day, a man was walking on a road when some people who didn't care about him hurt him. He was hurt and alone.

First, a man from the town walked by but didn't stop to help. Then, another person saw him but kept walking.

Finally, a kind man from a different place, called a Samaritan, saw him. He stopped, helped him, cleaned his wounds, and took him to a safe place to get better.

The kind man showed **respect** by caring for someone, even though he didn't know him. He treated the hurt man the way he would want to be treated.
