The Grateful Sparrow

One sunny morning, Jesus was walking through a garden. A tiny sparrow hopped near Him, chirping happily.

"Why are you so joyful today?" Jesus asked.

The sparrow fluttered its wings. "I'm thankful for the warm sun, the fresh seeds, and the safe branches to rest in."

Jesus smiled. "When you notice the good things around you, your heart grows lighter."

The sparrow chirped again and flew off, spreading thankfulness wherever it went.

Reflection

"What small thing can I be thankful for today?"
