- 02.04.26 – Non-uniform Day – school Fund Raiser
- 02.04.26 – School closes for the Easter Holidays

30.01.2026

We have finally made it to the end of January! It feels like such a long month and with the dark mornings and dull weather, it can be a rather challenging few weeks.

As always, the children have been working very hard in school and have produced lots of work that they are super proud of.

Our Nursery children have been counting up to 10 whilst our Reception children have been finding one more and one less. Year 1 have been counting using ten and ones and Year 2 have been learning about the Industrial Revolution. Year 3 have been creating prints with paints and Year 4 have been revising information on the Anglo-Saxons in preparation for the visit to Tatton Park today.

Year 5 have been improving their comprehension skills with a range of texts whilst Year 6 have been developing their mental arithmetic skills.

It is lovely to see how keen the children are to share their work with me whenever I enter their classroom.

Art at Wardley

We are super proud of our art work here at Wardley. It is displayed all around the school and visitors always comment on how wonderful it is as they walk around the building.

Mr Tinkler is our Art Lead in school and he works very hard to make sure that our pupils are exposed to a wide range of art skills and materials. It is also a pleasure to walk into classrooms when art lessons are taking place; the children always look so excited and love using different art resources, especially the paints! I have seen some Kandinsky inspired art in Year 2 and Year 6 were painting fruits this week when I popped by.

The children produce art journals where they display their skills, progression and full pieces of art. These journals are wonderful and the children are very proud of them – and so they should!

Message from our local MP, Michael Wheeler

We have received another letter from an MP this week! This time from our local MP, Michael Wheeler who has written to congratulate us on our 'incredible achievement in the recent Beat The Street Salford competition'. He writes that he was delighted to learn that our school had topped the leader board for the highest average points and that the achievement is a testament to the energy, determination and teamwork present at the school. He has asked that his congratulations are passed on to everyone who took part and that we should feel very proud for being such fantastic ambassadors for our community. Well done everyone!

School Council

Our Year 6 School Councillors have visited our pupils in Y1 – Y6 this week to gain pupil voice about the school's expectations and how they feel the school keeps them safe and supports them. The councillors managed to make lots of notes using the children's responses and I will be meeting with them next week to generate their Spring Term 1 Newsletter – this will be posted on our school website. Members of the council will also meet with some of our school governors next week to report their findings to them.

Year 4 trip to Tatton Park

Our fabulous Year 4 class have been on a school trip today to Tatton Park to support their learning about the Anglo-Saxons. The children were VERY excited this morning and could not wait to board the coach. I rang Miss Millington at lunchtime to make sure everything was going well and she informed me that they were having a great time. She said that the children were really enjoying themselves and the people running the workshops had commented on how well-behaved, polite and lovely the children are. This does not surprise me! I look forward to hearing all about their trip when they get back.

Reminders from the office

- Next week will be week 2 on the lunch menu.
- Dinner money next week is £10.50 and is due on Monday morning.

Our Christian values and thoughtful time

Collective Worship Theme – Compassion

We have continued to develop our understanding of compassion and how we can show others this quality. We read the story of Ruth and Naomi where a younger person showed love and compassion to her old mother-in-law. The story teaches us how older people can help us by sharing their wisdom and life experiences. In their Thoughtful Books, the children have been writing about what they feel they can learn from older people and we had comments such as, they have taught me to cook, they can fix things, they have lots of ideas, they can teach us life lessons from their experiences and they are wise because they have lived through so many things!

Darius in Year 3 was awarded Sammy for his piece of work on littering in his Home Worship Book. He created a fabulous booklet about why we should not litter and he drew a fabulous cartoon to show people putting their litter in the bin - well done Darius!

Have a lovely weekend everyone.

God Bless x

Mrs Walker
