

Year 1

Spring Two Homework Project

Country

As part of our geography unit this half term, I'm excited to invite each of you to choose a country to research and present it to the class. You have the freedom to select any country that interests you, and you're encouraged to present your findings in a creative manner.

Your presentation can cover a variety of aspects about the country, including but not limited to: weather, food, flag, key landmarks, culture, language and traditions.

I encourage you to approach this project with enthusiasm and creativity. Whether you prefer to create a poster, prepare a slideshow, deliver a speech, or use any other method (more ideas below), the choice is yours!
