

Year 1

Summer 1 Homework Project

The children are invited to take part in a history project to support their learning of The Lives of Significant Individuals, David Attenborough and Mary Anning.

Fossil Crafts

Using clay or plaster, create fossil imprints of shells or toy dinosaurs, painting them once they are dry.

Nature journal

Keep a nature journal for a week, drawing or pasting leaves, flowers or sketches of animals, much like David Attenborough's insightful observations.

Miniature Museum Exhibit

This could either feature Mary Anning's Fossils or David Attenborough's wildlife.

I look forward to seeing your super projects on **Monday 18th May.**

You could create your own fantastic idea. Just make sure it is **related** to the topic.
