

Year 6

Summer Term Two Homework Project

All About Me!

I would like you to create a presentation all about you! You could tell us all about your hobbies or your favourite films or even about your favourite memories here at Wardley.

1. You could create a poster about your favourite things or hobbies.

2. You could create a poster or presentation about your favourite films, characters, music artists, sport personalities or influential people.

3. Tell us your favourite memories about your time here at Wardley; they can be very early memories from Nursery or more recent memories from your time in the juniors.
