

KS1 homework grid – Autumn 2

Can you complete them all?

ENGLISH:

Think about the Owl and the Pussy-Cat on their pea-green boat. Write a new story where they visit somewhere different. Where might they go? What will they see? Who might they meet this time?

MATHS:

Choose four different numbers. Write down as many facts as you can about them.

For example, 25.

It is a two-digit number.

It has 2 tens and five ones.

It is also written as twenty-five.

It can be partitioned like this:

$$10+10+5 = 25 \quad 15+10 = 25$$

$$20+5 = 25$$

GEOGRAPHY:

Scan the QR code links to with your phone camera to learn the:

names of the Oceans→

←Continents

and the parts of the UK ↘

SCAN ME

SCAN ME

SCIENCE:

Create a weather chart and record the weather each day. What weather do we see most of in November and December.

SCAN ME

RE:

Find out about the Christian nativity story and draw a picture of it. Can you include all the people involved?

FRIDGE WORD CHAMPIONS:

Learn some of our Fridge words. Can you read them, spell them and define three different words?

PE:

Practise your ball control skills. Can you bounce and catch a ball 3 times? How many times can you throw and catch a ball with an adult without dropping it?
Send in a video through Dojo of you practising these skills.

DT:

Create a model of Big Ben using junk materials from your house.
