

KS1 homework grid – Spring 1

ENGLISH:

Our text for this half term takes place in Kenya could you:

- ❖ Create a fact file on Kenya. Could you tell us about the weather? What it is like to live there? What animals we might spot?
- ❖ Create a front cover for a story called 'My African adventure'. Include a title, your name as the author and a picture of what might happen in the story. Challenge yourself and write about two events that might happen in the story.

MATHS:

Find out about some 2D and 3D shapes.

Draw some 2D shapes and label how many sides and corners they have. Find some 3D shapes in your house and in the environment- how many edges, faces and vertices do they have?

HISTORY:

Find out what toys your grandparents played with when they were young. Did they have phones? What was their favorite toy? Draw pictures of their favorite toys from when they were young.

SCIENCE/COMPUTING:

Use Purple Mash to create a pictogram about the different materials you can find in your house. Make a prediction about which material you think you will find most?

RE:

Find out about some different Hindu Gods and Goddesses. Make your own information sheet to bring into class.

PSHE:

Practise some mindfulness/relaxation activities at home. Share what you do with us on Class Dojo.

FRIDGE WORD CHAMPIONS:

Learn some of our Fridge words. Can you read them, spell them and define three different words?

DT:

Design a new toy that can move using wheels. Draw a picture of it and add some labels.
Can you build it using junk materials or construction toys at home?
