

Welcome Back! Half Term Newsletter

Dear Parents and Guardians,

We hope this message finds you well and eager for the exciting half term ahead! We have a lot planned leading up to Easter, and we can't wait to share it with you.

Our Topic: Spring and Traditional Tales

For the next half term, our focus will revolve around the themes of Spring and Traditional Tales. We're diving into classic stories like "The Three Little Pigs" and "The Gingerbread Man," exploring characters, settings, and the art of storytelling.

Literacy Learning: Retelling Stories

In literacy, we'll be immersing ourselves in the enchanting world of storytelling. We'll delve into the adventures of the Three Little Pigs and The Gingerbread Man, examining characters, settings, and plotlines. Our goal is to help your child develop their storytelling skills and confidently retell these beloved tales in their own words.

Mathematics Exploration: Number Bonds to 10

In mathematics, we're focusing on the foundational concept of number bonds to 10 and beyond. Through hands-on activities and interactive exercises, students will explore different ways of making numbers up to 10, understand positional language, and identify shapes with 3, 4, and 5 sides. We'll also emphasise counting on and back from different numbers, laying the groundwork for deeper mathematical understanding.

Phonics and Reading: Phase 3 and Reading Practice

We're continuing our phonics journey with Phase 3, introducing new graphemes and strengthening reading and spelling skills. Daily reading practice is essential, and we encourage you to engage your child with their home reader, explore their favourite books together, and practise tricky words and sounds. <https://www.youtube.com/watch?v=DvOuc7cWXxc>
