

History

In History we are learning about the ancient Egyptians, building on our learning from Spring 1 when we learned about ancient civilisations. We will learn about the process of mummification, the importance of the pyramids and why they were built, the River Nile and compare life now to then.

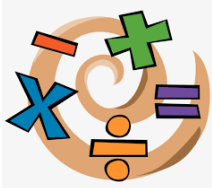

Design Technology

In Design Technology we will learning about health eating, cooking techniques and making our own savoury meal.

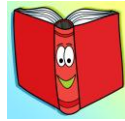

Mathematics

In Maths we will be continuing our learning about subtraction deepening our understanding of column method, before moving onto fractions.

The Roebuck Primary School Curriculum Overview - Summer 1

Welcome back after half term! If you have any questions or concerns, please do not hesitate to get in touch via Class Dojo and we will get back to you as soon as possible. Miss Coley and Mrs Hastewell 😊.

Sycamore Class

Literacy

In our Literacy lessons, we will explore the story. The Rage of the Sea Witch. We will read and explore characters thoughts and feelings and write our own version of it. After this, we will move into non-fiction writing creating a non-chronology report based on our learning in history.

Spelling - Continue to practise your spellings on Spelling Frame.

Homework - Children can complete the tasks in any order and either bring them in for us to share or upload a photo onto Class Dojo.

Reading books need to be brought back in to school every day. Make sure you are *reading at home at least 3 times per week*.

Physical Education

This half term our PE sessions take place on **Tuesday** afternoons. Full PE kits should be worn all day on this day. That includes the red PE t-shirt, black shorts and jogging bottoms, school jumper and pumps / trainers.

Computing

We will be exploring the use of AI as our world changes and develops. Looking at how we can use AI to support us in our learning and understanding of the world and how to use it responsibly and safely.

Science

In science, the focus will be on light and shadows. We will learn about natural light and unnatural light. We will also learn about how shadows are formed and why our shadows appear to move throughout the day. Further to this, we will also learn about the sun.
