

# Year 6 Curriculum Information

## Oak Class Summer 2 2026

### ENGLISH

This half term, the children will be focussing on developing stamina for writing and will be using short films to help them advance their skills in different genre types. They will also be learning the script for the Year 6 leavers' production.

The children will continue to develop their skills in reading and responding to texts and will revise previously taught grammar skills. Lots of opportunities will be given for the children to apply their knowledge and skills into their guided and independent writing through a range of different genre types.

### MATHS

The final term will be spent revising and recapping learning tailored to the needs of the children. It may be topics that in-class assessments show children need more work on, or areas where children would like more practice so that they are fully confident.

We will be ensuring that children are confident in the calculation methods that they will be expected to use in their next school year.

### CURRICULUM

**Geography** – Our topic this term is 'Our Changing World' where children will discover some of the many ways in which the world around them is changing - from coastal erosion to political changes. They will learn about the structure of the United Kingdom and how its shape and geography have changed over thousands of years.

**PE** – This term, PE will take place on Mondays and we will be learning about striking and fielding sports. Please ensure your child wears the correct PE kit for school on that day.

**R.E** – Following the question we have been looking at all year of, 'In what ways is life like a journey?' the children will be looking at Islam and specifically *What is Hajj and why is it important to Muslims?*

**Science** – In Science this half-term, we will continue our learning about The Heart and the Circulatory System and look at how diet and exercise affect the body.

### HOME LEARNING

It is really important that children read regularly at home. Although children must read their school reading book, they are also encouraged to read for pleasure by choosing books that are of interest to them. This can include non-fiction books, magazines, comics and newspapers as well as fictional stories.

A link to the homework for the term will be put on the Oak Class webpage and on Class Dojo. Children should complete one homework of choice from the list each week and can post a document or photograph of the completed learning on Class Dojo if they wish.

Links to various homework help pages are on the school website and include links to Times Table Rockstars and Spelling Frame.

### REMINDERS

**Wednesday 17<sup>th</sup> June to Friday 19<sup>th</sup> June –**

Year 6 Hothersall Lodge Residential Trip

**Friday 17<sup>th</sup> July am –** Year 6 Leavers' Assembly

*Enjoy your final term at  
The Roebuck School*

### Year 6

Most high schools will be visiting your child in school during this half-term.

You should have received a letter inviting your child to attend a transition day at their allocated high school. For most Preston schools, this will take place on Thursday 2<sup>nd</sup> July. If you have not received information about this from your child's high school, please contact them directly for more information.
