

Maths

Times tables are important and they create the foundation for their maths journey through school. Regular practise on TT Rockstars will help your child to develop their speed and fluency. You can continue to practise these at home as well as consolidating your basic skills by using the following websites and apps.

Times Table Rock Stars

Timestables.co.uk

History

Use natural materials to create a picture of the Stone Age.

Create types of paint by crushing berries, grass, leaves and other natural materials. Use the paint to make a picture.

Reading

Read a few pages from the book you bring home from school **at least three times a week**. Ask a parent to sign your Reading Record so we know which pages you have read.

Maple Class

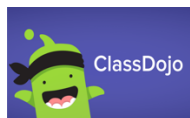

Home learning Grid - Autumn 1

When you complete an activity, upload a picture onto Class Dojo or bring it into class.

You can do the activities in any order.

This is due in by **Friday 23rd October 2026**

All resources will be uploaded on to Class Dojo, if you require paper copies please let your class teacher know.

Art

In Art we will be exploring some of the work created by the artist Vincent Van Goch. Recreate one of his famous pieces of art using any medium you would like, such as paint, crayons, pencils.

Spellings

Use Grammarsaurus to learn your spellings. How many points can you earn?

Science

Our science topic is Electricity. What household appliances do you have that run on electricity? Are these run using mains electricity or batteries?

Make a table and record the items in the correct column:

Mains electricity	Batteries

PSHE

In PSHE we are thinking about treating people with respect. Write an acrostic poem where each line starts with the letters R, E, S, P, E, C, T.
