Sycamore Class

Home learning Grid – Autumn 1

When you complete an activity, upload a picture onto Class Dojo or bring it into class.

You can do the activities in any order.

This is due in by ***Friday 18th December 2026***

All resources will be uploaded on to Class Dojo, if you require paper copies please let your class teacher know.

Maths

Please continue to practise your times tables at home, as well as consolidating your basic skills, by using the following websites and apps.

Times Table Rock Stars

Timestables.co.uk

White Rose Maths Hub

Geography

Use materials, at home, to build a volcano. Can you label all the parts?

Research an active or dormant volcano from around the world and create a fact file.

Reading

Read a few pages from the book you bring home from school ***at least three times a week***. Ask a parent to sign your Reading Record so we know which pages you have read.

DT

In DT, we will be exploring and creating our own lightbox. You can design a lightbox for a volcano warning box, explore the components you will need and draw a diagram for your circuit.

Spellings

Use Grammarsaurus to learn your spellings. How many points can you earn?

Science

Our science topic is Rocks. Can you find any rocks around your local area? If so, bring them into school for our Rock Contest!

Can you create a poster about the different types of rocks?

PSHE

In PSHE we are thinking about our feelings. Draw an emotion and surround it with everything that makes you feel that way.
