

Friday 14th November 2025

Dear Parents, Carers and Children,

Year 3 Ancient Egypt Experience Day

As you probably are aware, this half-term, Year 3 have been learning all about Ancient Egypt. To enhance our studies, we have arranged for a company called Ancient Egypt for Children to come into school for the day and immerse children in the Ancient Egyptian culture. They will learn about the Ancient Egyptian diet, civilization and take part in lots of exciting workshops all centred around this fascinating era!

This session will take place on **Monday 24th November** and the cost of this session is **£8.00** per child which includes the full day of activities.

This will be an exciting and informative day to consolidate their learning and deepen their understanding of life in Ancient Egypt. Please complete the attached slip and return to school by Wednesday 19th November.

Yours sincerely,

Mrs. Gatiss and Miss Jones
