

Thursday 11th December

Dear Parents, Carers and Children

The Last Week of Term

We have had a wonderful few weeks in school with many fantastic events, visits, visitors and experiences for the children: a newsletter will be sent out at the end of next week. An overview of the events in the week ahead is below. Please note that the children will still be learning in all their normal lessons in between the different events and all children should attend school next week.

*The Elf Run on Friday 19th is in aid of [St Luke's Cheshire Hospice](#), a charity that has supported several WPPS&N families. A representative from St Luke's is leading an assembly this Friday (12th) and the children will come home with a sponsorship envelope and a pot of porridge (Elf fuel). School will provide Elf hats on the day for those children who want to wear them. The children should wear their school uniforms and trainers. At this expensive time of year, we don't expect families to send in any sponsorship money until January and there is no expectation that this should be a large amount – any small contribution is welcomed by the hospice. Thank you for your support.
