

Tuesday 10th March 2026

Neurodiversity Week Coffee Morning

Dear Parents/Carers,

Neurodiversity Celebration week runs from 17th to 23rd March, celebrating the strengths and talents of neurodiverse individuals whilst promoting inclusion and understanding. The week highlights conditions such as Autism, ADHD and Dyslexia among others.

We will be holding a ‘Coffee and Chat’ morning for all parents and carers, where staff will be on hand to talk about what we offer in school to support our neurodiverse pupils, and to signpost families to local and national groups and agencies that may be of support.

Amanda Leigh from the CWAC Navigator Service and staff from Cheshire Autism Practical Support (CHAPS) will also be attending to offer advice and support if needed.

More about what they do, and the services they offer can be found here:

[Early Help Navigator Service | Live Well Cheshire West](#)

[Cheshire Autism Practical Support | Cheshire](#)

So we can get an idea of numbers and cater for the coffee morning, please complete the slip below if you are intending to join us. Do feel free to drop in though, even if you don’t return the slip. All are welcome!

Many thanks
Mrs. Jo Flower
(Senior Mental Health Lead)

Neurodiversity Week

I will be attending the COFFEE & CHAT morning on Thursday 19th March.
