11 <sup>th</sup> June 2026	2 <sup>nd</sup> July 2026
18 <sup>th</sup> June 2026	9 <sup>th</sup> July 2026

We are delighted to advise you that your child will take part in Forest School activities soon. Please see the above dates for your child's class.

The range of activities is vast and could be anything from mini beast hunts to den building or forest skills. The activities are based outdoors and therefore the correct clothing needs to be worn. Please see the suggested clothing attached and look at the weather forecast in the mornings.

The session will last for approximately an hour on Thursday afternoons and will be led by Mrs. Holmes who is a qualified Forest School Leader and experienced at delivering this programme.

Forest School will take place in all weathers. It is important that your child is appropriately dressed to keep safe, comfortable and happy. They need to be prepared to get muddy, cold, hot, wet or dirty! Old, dark-coloured jogging bottoms and an old T Shirt or sweat shirt may be worn to school on these days instead of school uniform. A waterproof coat is very helpful on rainy days. Spare layers are a good idea as well as sunscreen already applied in the morning and a sunhat if the weather is fine. Please ensure the children bring a plastic carrier bag with them for any dirty items and a spare pair of indoor footwear, ensuring all clothing is named.

We are requesting a £3 donation per pupil towards the cost of the Forest School Leader and any resources we need to purchase. Please make your contribution via School Gateway.

We look forward to developing team and communication skills and having some fun outdoors!

Yours sincerely,

Mrs. Holmes  
Forest School teacher
