SATS Results and Year 6

Last week Year 6 wowed us with their wonderful end of year show The Wizard of Oz. The performances were fabulous with singing, solos, acting, and dancing; a very special treat for everyone lucky enough to be in the audience. Very well done also to all the children in Year 6, and the staff who have worked with them, for some fantastic end of year outcomes!

We are incredibly proud of our Year 6 pupils, not only for their incredible SATs achievements but, more importantly, for the thoughtful, resilient and caring young people they have become. While test results reflect their hard work and determination, they are only one measure of success. We celebrate all that the children have achieved and wish them every happiness and success as they begin the next chapter of their journey at secondary school.

Trips and Visits

Year 1 enjoyed a fun-filled trip to the beach at New Brighton this week. Despite a delay on the motorway, the children behaved exceptionally well, remaining patient and positive throughout the journey. Once they arrived, they had a wonderful time exploring the beach, playing together and making the most of a memorable day by the sea.

Last week, Reception visited BeWilderwood and enjoyed a fantastic day of exploration, adventure and imaginative play. The children embraced every opportunity to climb, explore and work together, creating wonderful memories while developing their confidence and teamwork.

PTA

Our PTA have organised some lovely events this year. Last week, our second annual Colour Run was very successful, fun and messy and thoroughly enjoyed by all those who took part. Yesterday, as a treat from the PTA to all the children, the Ice Cream Van visited school – there were blue tongues, sticky fingers and excited children! Thank you to our team of PTA volunteers: our school is very lucky to have such committed and hardworking people supporting the school. The PTA AGM will be on Tuesday 29th September at 6.00pm at school. All members of the school community are welcome.

Attendance

Our attendance for this school year has remained above both local and national averages at 95.9%, reflecting the commitment of our children and families to ensure the children have the best attendance they possibly can. Thank you for your continued support in ensuring children attend school regularly. Congratulations to everyone who achieved Gold and Silver Attendance Awards this half term, and special recognition goes to the 35 children who maintained 100% attendance throughout the academic year – an outstanding achievement. Well done to all!

Summer Holiday Dates

School closes for the Summer today at 1.15pm. School reopens to children for the new school year on **Thursday 3rd September 2026 at 8.45am.**

Thank You

Our school community is strengthened by the dedication and hard work of our wonderful staff team, all of whom make an invaluable contribution to the life of the school and the success of our pupils.
