

# ART GALLERY

**All Creatures Great and Small** is a whole-school art exhibition celebrating animals, new life and our responsibility to care for creation.

Inspired by the values of **St Francis of Assisi**, pupils across the school have explored how artists use colour, pattern, texture and symbolism to represent animals and the natural world. Each year group studied a different artist, developing skills progressively from early mark-making and collage to expressive painting and symbolic mixed-media work.

The exhibition reflects not only artistic skill, but also creativity, imagination and thoughtful responses to the world around us. Every piece celebrates the uniqueness of living things and reminds us of our shared duty to protect and respect life.

# Joan Miro

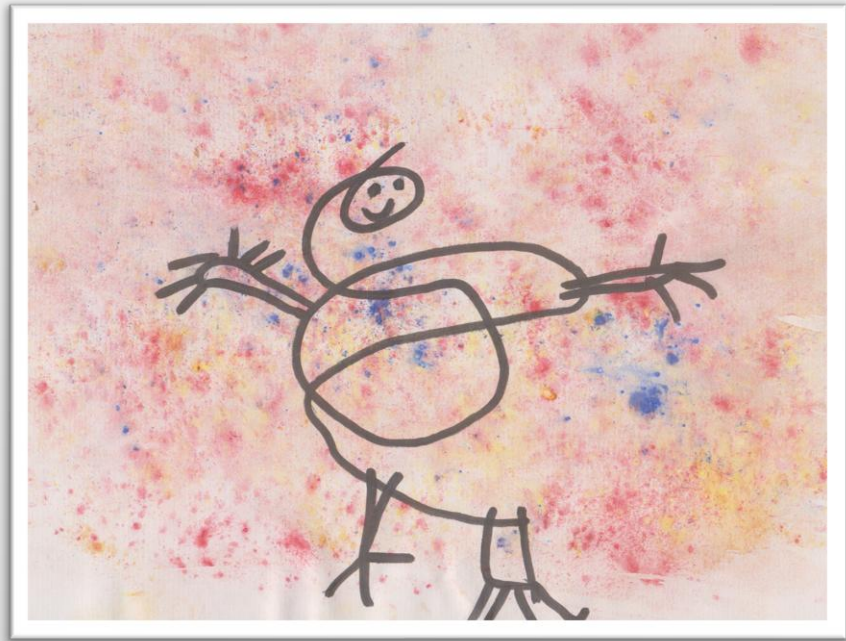

Miro was a Spanish artist, who was inspired by the artwork created by children. Many of his pieces of art are done in the style of children's artwork.

In FS2 we have explored colour mixing and then used different techniques to apply the paint to the paper. Once it was dried, we took our pencils for a walk to create an animal picture on top of our paintings in the style of Miro.
