

ART GALLERY

All Creatures Great and Small is a whole-school art exhibition celebrating animals, new life and our responsibility to care for creation.

Inspired by the values of **St Francis of Assisi**, pupils across the school have explored how artists use colour, pattern, texture and symbolism to represent animals and the natural world. Each year group studied a different artist, developing skills progressively from early mark-making and collage to expressive painting and symbolic mixed-media work.

The exhibition reflects not only artistic skill, but also creativity, imagination and thoughtful responses to the world around us. Every piece celebrates the uniqueness of living things and reminds us of our shared duty to protect and respect life.

Sarah Thornton

Year 5 have been learning about the animal artist Sarah Thornton, who uses bold colours, strong lines and texture in her artwork.

Her colour selection often represents each animal's character.

Inspired by her techniques, the children created their own animal artworks, carefully thinking about colour, line, shape and texture to make each piece unique.
