

ART GALLERY

All Creatures Great and Small is a whole-school art exhibition celebrating animals, new life and our responsibility to care for creation.

Inspired by the values of **St Francis of Assisi**, pupils across the school have explored how artists use colour, pattern, texture and symbolism to represent animals and the natural world. Each year group studied a different artist, developing skills progressively from early mark-making and collage to expressive painting and symbolic mixed-media work.

The exhibition reflects not only artistic skill, but also creativity, imagination and thoughtful responses to the world around us. Every piece celebrates the uniqueness of living things and reminds us of our shared duty to protect and respect life.

Sarah Taylor

Year 6 explored the artwork of Sara Taylor, an artist known for her expressive animal portraits and use of mixed media.

Inspired by her style, the children created their own animal artworks, carefully considering colour,

composition and texture to show personality and character in their work.
