"Treat others the way you would like to be treated yourself"

16th October 2026

Message from Mrs Procter

Next week we will sadly be saying a goodbye to Mrs Martin. After eight wonderful years at Christ the King and many more in pre-school, we are saying goodbye to Mrs Martin. Mrs Martin has decided that she wants to take on a new challenge and begin an exciting new chapter working in the retail sector.

Mrs Martin has been a valued member of our school community and we would like to take this opportunity to thank her for all her hard work, dedication and the contribution she has made during her time with us. She has been part of so many special moments over the past eight years, and her presence at Christ the King will be greatly missed.

We are sure that our children and families will be incredibly sad to see her go, as will all of us here at school. While we are sorry to be saying goodbye, we wish Mrs Martin every success and happiness in her new role and hope that this exciting new challenge brings her lots of enjoyment.

Thank you, Mrs Martin, for everything you have done for Christ the King over the past eight years. You will be very much missed and we wish you all the very best for the future!

Weekly Reflection

This week, we are reflecting on citizenship and how we can all play our part in making our school community a happy, safe and caring place for everyone.

As members of Christ the King, we all have a responsibility to be good citizens. This means treating others with kindness and respect, helping those in need, looking after our school environment and making sure that everyone feels welcome and valued. Even the smallest actions, such as sharing with a friend, helping someone who is struggling or inviting someone to join in a game, can make a big difference.

In the Bible, Jesus tells the story of the Good Samaritan (Luke 10:25–37). The Samaritan stopped to help a man who had been hurt, even though others had passed him by. He showed compassion, kindness and love to someone who needed help. He reminds us that being a good citizen is not just about following rules; it is about looking beyond ourselves and thinking about the needs of others.

As a school community, we can follow the example of the Good Samaritan by noticing when someone is feeling sad or lonely, standing up for what is right, caring for those around us and offering help without expecting anything in return. We should remember that we are all part of God's family and everyone deserves to be treated with dignity and respect.

Our challenge this week: was can you be a Good Samaritan in our school? Look for an opportunity each day to help someone, show kindness or make someone feel included.

Remember, we do not need to do something extraordinary to make a difference; sometimes, the smallest act of kindness can have the biggest impact. The children below have been showing that they are a good citizen of Christ the King.

Active Travel News

A big thank you to CTK families for their support with active travel. We were awarded Platinum status this week at the Modeshift awards to recognise the efforts we have made in getting more families to bike, scoot and walk to school as well as learn how to be safe when scooting and cycling. We know we still have work to do to reduce the number of people parking close to school, so we do ask that you park and stride if possible. This means you should park a 5-minute walk away.

Well, done to Theo, Teddi and Mollie who spoke so well at the ceremony.

Scholastic Book Fair

The Scholastic Book Fair is returning to CtK after half term. It will be held in the library (from the playground door) each day after school from **Monday 16th November – Friday 20th November. There will be a card machine to make payments again this year, and also the QR code payment link, so please ensure you bring a bank card with you as we will NOT be taking any cash.** Children will have the opportunity to visit the Book Fair during the school day to browse the books on offer.

Last year through your purchases of books at the fair our school received £784.16 in rewards to spend on new books!!! That means every classroom got a new collection of books for their class libraries and more books were added to our school library.
We hope to have the same success this year and look forward to seeing you there

Harvest Festival

On Wednesday 21st October, Year 5 will be leading Years 1 – 6 in a special Harvest Mass in Church at 9:30am. This will be a full Mass celebrated with the Parish and we are asking for goods that can be distributed to the local foodbank. Foundation Stages 1 and 2 will be holding their own Harvest Liturgy in their classes.
Our Faith Leaders will be coming around classes to collect any non-perishable goods from Monday 19th October. You can also bring items in on the day. Some suggested items may include: rice pudding, pasta, tinned vegetables, tinned fruit, long life milk, pasta sauce, squash, coffee, nappies (different sizes), toilet rolls, tea, tinned soup, tinned meat, rice, instant mash, sugar, sponge puddings, jam, packet soup, hot chocolate, biscuits etc.

Thank you in advance for your continued support.

Travelling Rosary

In the month of October, your child will have the opportunity to bring home their class rosary bag that were made especially for us by the ladies from the parish, who made our school banner. Please look after them and ensure that you return them to school the next day so that everyone can have a chance to take them home. We hope that you enjoy having some prayerful time together.

UNICEF- Still needs your help

25 bags of food have so far been dropped off at the food bank. Thank you for your kindness and generosity and don't forget we will continue to collect donations until October half term.
If anyone is available to help take some bags to food bank collection points, such as Asda on The Croft, then please go to Mrs Kane's class at the end of any day.
Thank you.
